

North Orbital Digital Access Program Guide

Fictional demonstration document.

Digital Lab Reservations

Registered participants may reserve a digital lab workstation for up to 90 minutes per day.

Reservations may be made up to 7 days in advance.

Equipment

Headsets and webcams are available for use inside the lab.

Lab headsets and webcams may not be taken home.

Printing and Technical Support

Each registered participant receives 20 black-and-white printed pages per calendar month.

Staff can help with basic file saving, printing, and account sign-in.

Staff do not repair personal computers.

Staff do not recover passwords for external services.
